

The "Lost Dauphin of France"

How amazed he would have been to be transplanted—in Green Bay—to the glorious gardens of medieval romance as they are transplanted in the NEW FOX THEATRE.

A Veritable Garden of Dreams

This garden spot of entertainment with its fairy hedges in nature's own coloring—trees and flowers in glorious luxuriance—overhead a star-studded magic night-sky.

So That All Green Bay May View This
Playhouse of Enchantment

The Box Office of the NEW FOX THEATRE

will open Friday at 2 p. m. for an advance sale of tickets at regular prices. These tickets are NOT reserved—they will admit the holders to the theatre without waiting in line.
